

Job Title: Manager of Pipeline & Measurement

Location: Louisiana (Locations include Houma, Patterson, Pecan Island, Johnson Bayou, Cocodrie, Port Sulphur & Lake Charles, LA)

Experience Required: Minimum of 10 years

Education Required: Bachelor's Degree preferred but not required

Position Type: Full Time

Kinetica Partners LLC was formed in 2009 to acquire and/or develop assets in the natural gas midstream business, with a primary focus on gas gathering, treating, processing, and transmission. Kinetica has since established itself as an essential midstream service provider in the Gulf of Mexico operating an extensive network of pipelines and key infrastructure vital to producers in the Gulf. Kinetica has built its reputation on reliability, availability, and operational excellence for its customers.

Kinetica was acquired by Eckard Midstream LLC in 2023 as a platform to build a billion-dollar midstream presence that is free from debt and capitalized with 100% private capital.

JOB SUMMARY

- Oversee the safe and efficient operation of oil, gas, or other product pipelines, as well as the equipment used to measure volume and quality of the transported material.
- Managing a team of 10-15 company pipeline & measurement technicians on day-to-day operational aspects of natural gas pipeline to ensure Kinetica's objectives are met.
- Ability to acquire DOT qualification pertaining to natural gas transmission/gas gathering pipeline operations.
- Ability to work closely with safety & environmental department to ensure all safe practices are met.
- Serve as a point of contact for measurement & pipeline related issues with other internal departments. (Corrosion, projects & construction, I&E, HSE, Commercial)
- Responsible for planning and controlling annual budgets and balancing monthly operating expenses both onshore & offshore.
- Work and interact with third party partners and customers to resolve disputes.
- Drive continuous improvement in measurement practices, processes, and technology.
